

WELCOME TO

Euro-EDUPAR 2015

**The First European Workshop on
Parallel and Distributed Computing Education
for Undergraduate Students**

**JE SUIS
CHARLIE**

Progenitor:

CDER: *Center for Curriculum Development and Educational Resources*

Progenitor:

CDER: *Center for Curriculum Development and Educational Resources*

(pronounced “CEDAR”)

Progenitor:

CDER: *Center for Curriculum Development and Educational Resources*

(I say “Progenitor” because words such as “Sponsor” have legal/official meanings, so they frighten me.)

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

(Many opportunities for contributing)

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

Curricular Guidelines

- A taxonomy of “core” concepts in PDC
- Priorities for level of coverage of the concepts
... especially for early undergraduates

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

Curricular Guidelines

- A taxonomy of “core” concepts in PDC
- Priorities for level of coverage of the concepts
... especially for early undergraduates

We are beginning to assemble a team of volunteers to

- update these guidelines
- extend the guidelines to more advanced courses.

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

A series of books

... contributed chapters to help instructors and/or students master PDC concepts

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

A series of books

... contributed chapters to help instructors and/or students master PDC concepts

Volume #1 will be out within months.

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

A series of books

... contributed chapters to help instructors and/or students master PDC concepts

We are constantly looking for new authors ...

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

The Early Adopter Program

... academics incorporating PDC into their course(s)

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

The Early Adopter Program

... academics incorporating PDC into their course(s)

... selected in an annual competition to receive a modest grant

Activities of

CDER: *Center for Curriculum Development and Educational Resources*

The Early Adopter Program

... academics incorporating PDC into their course(s)

... selected in an annual competition to receive a modest grant

... currently over 100 EAs worldwide — an expanding international community
